

What Our Members Are Saying

“Membership in the Greater Company with some very particular, we have found the elected officials on such topics as workplace training funds. The types of activities and to keep its membership informed of developments in a timely manner has helped us make decisions that have reduced our operating costs and stay competitive.”

Gardner Chamber of Commerce provides Nichols & Stone important resources that we would otherwise be lacking. In Chamber to be very helpful with regard to working with our controlling insurance costs, utility deregulation and ability of the Chamber to be an active participant in these

-Michael Keegan
Vice President, Finance
Nichols & Stone Co.

“Running a small business is a give and take proposition. Being a Chamber member is one of the things you do to support other members of the business community who in turn support you. It’s part of being a good corporate citizen.”

-Norman Wironen
Edward Jones Investments

“As I have become more involved with the work of the Chamber, I am amazed at the benefits and services that are available to both member businesses and the community as a whole, from networking on topics of concern related to business operations to supporting positive legislation from our Legislative Affairs Committee. I am impressed with the professional manner by which the Chamber functions, from the officers through the Board Of Directors to the dedicated full time staff. This organization is a positive force in the greater Gardner community.”

-William A. Blais
Production Manager HV PCA
TEPG-Simplex

“I have been a participating member of the Gardner Chamber for several years. The issues we discuss are consistently pertinent and opinion on a given topic has the opportunity to takes on a particular issue. The discussions are often lively and there is definitely no rubber stamp involved. I believe our group has a significant impact on political decisions that affect us all.”

Legislative Affairs Committee of the Greater information we cover and the national, state and local timely to the work I do. Anyone present who has an be heard and to vote on the stand that the Chamber

-Roger E. Myers
